**Washington State
Fire Services Resource
Mobilization Plan - Awareness**

Presented By:

Chief Deputy State Fire Marshal Dan Johnson

Office of the State Fire Marshal

Washington State Patrol

Presentation for the January 2009
State Agency Liaison Meeting

State Mobilization

Emergency Support Function 4

- The state DNR will manage and coordinate wildland firefighting activities on DNR protected lands.
- The Washington State Patrol shall serve as the state fire resources coordinator when the *Washington State Fire Services Resource Mobilization Plan* is invoked.
- All operations will be managed using the ICS.

State Mobilization

Emergency Support Function 4

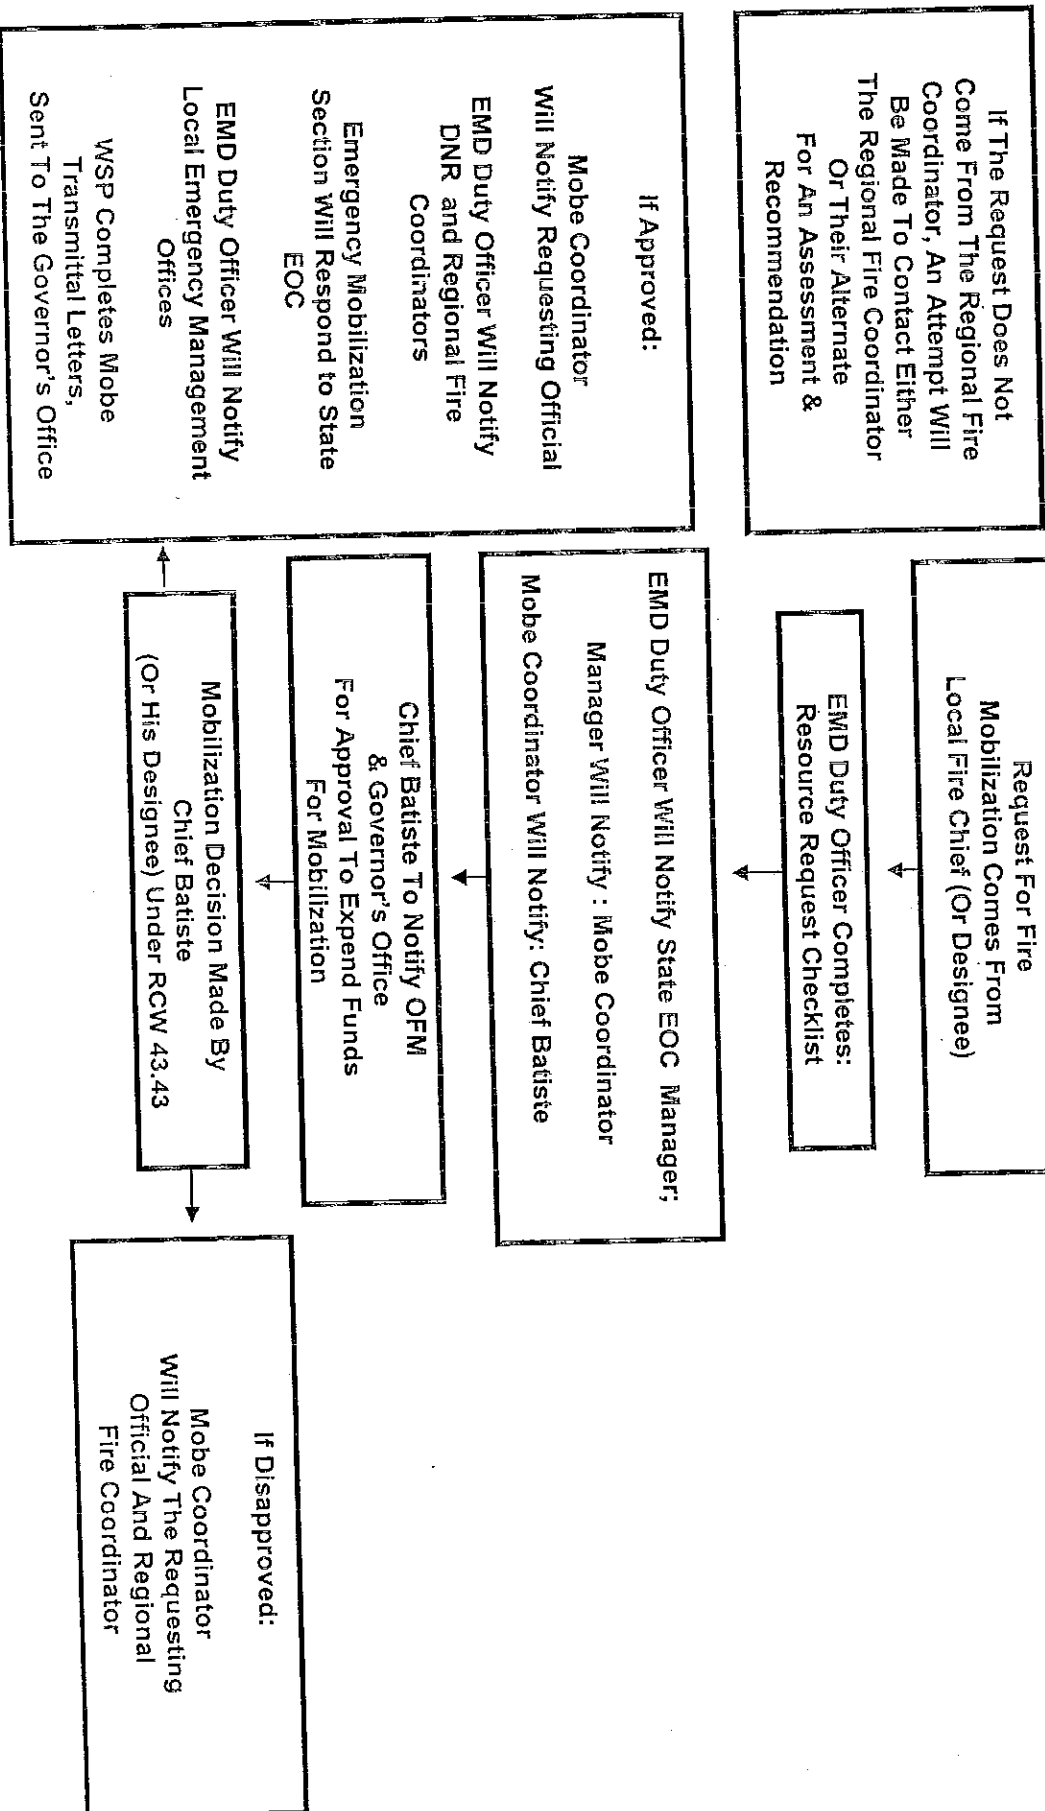

- Supporting agencies: Response
 - Washington State Department of Corrections
 - Inmate crews
 - Washington State Department of Fish and Wildlife
 - Personnel and equipment
 - Washington State Department of Ecology
 - Provides information regarding water withdrawal, erosion producing activities, and air monitoring
 - Washington State Military Department, National Guard
 - National Guard Troops
 - Washington State Parks and Recreation Commission
 - Facilities
 - Washington State Department of Transportation
 - Personnel and equipment

State Mobilization

Six Steps to a Mobilization

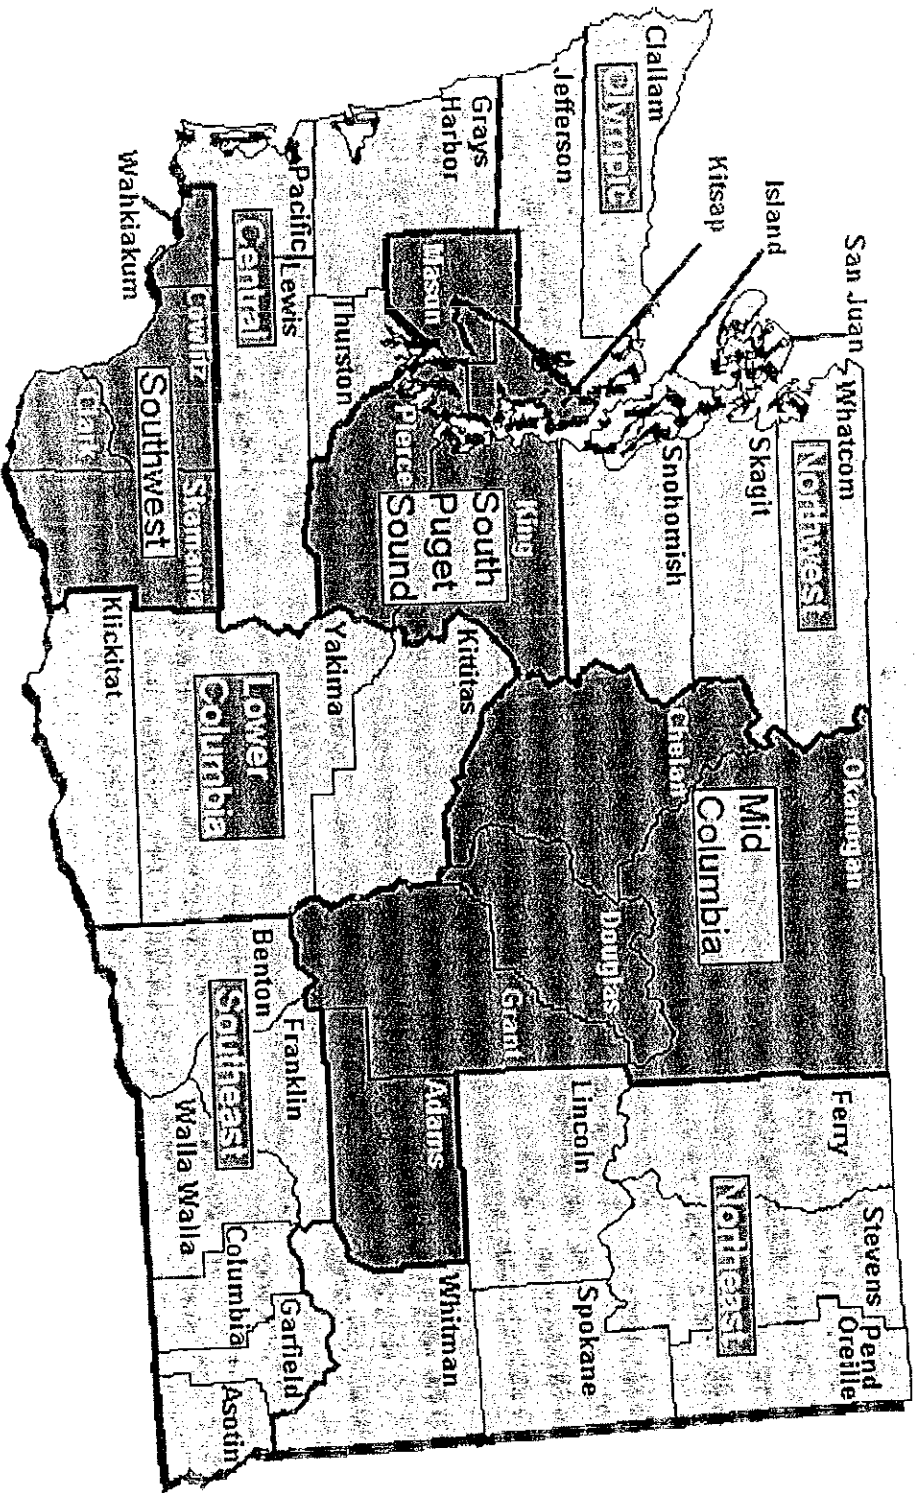

1. Incident needs to be in or immediately threatening a fire jurisdiction
2. Local and mutual aid resources need to be exhausted
3. County or Regional mutual aid plan needs to be utilized
4. Incident is not stabilized and is a threat to life and property
5. Request is made by the local fire chief through a Regional Coordinator or directly through State Emergency Management Division Duty Officer
6. Mobilization authorized by Chief of the Washington State Patrol; requested equipment and personnel sent to Mobilization

State Mobilization

State Mobilization

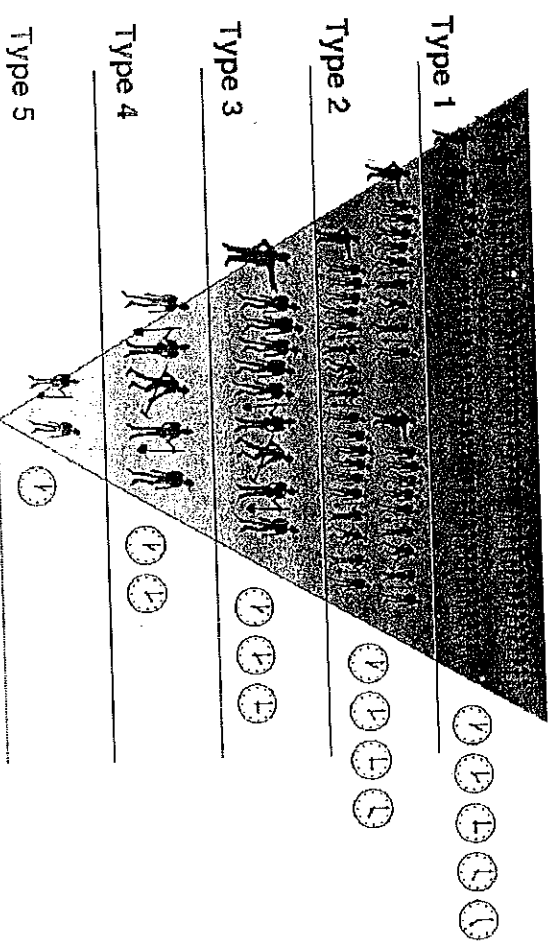

WSP - 7th
Regiment

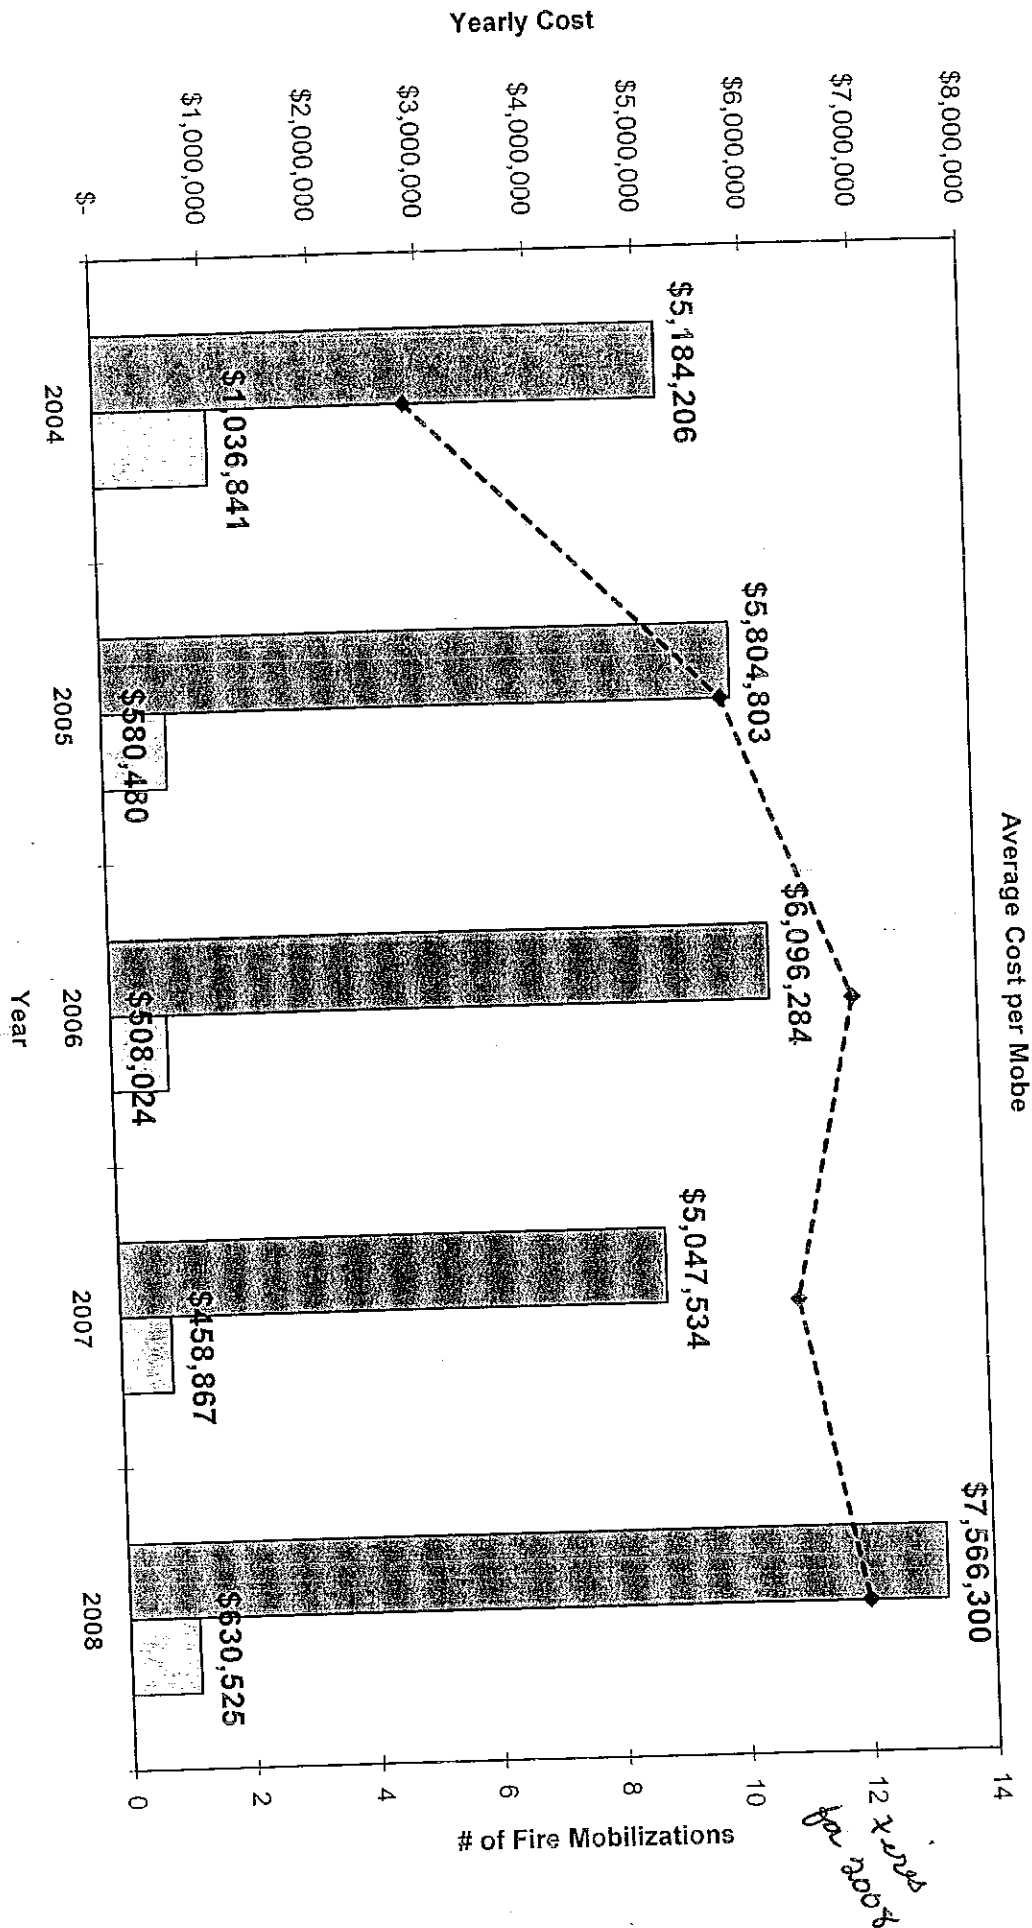

State Mobilization

Incident Management:

- Smaller incident - Utilize Type 3 IMT's
 - Four in state NW, SW, SE, NE (A)
- Larger incident - Utilize Type 2 IMT's
 - Five in the state

State Mobilization

State Mobilization
